

FORMER MINISTER LLOYD GEORGE IN FIGHTING SPEECH

Opens Campaign by Throwing Down Gauntlet

(By The Associated Press)
LONDON, Oct. 25.—Former Prime Minister Lloyd George started off his campaign in London today with a fighting speech to an enthusiastic meeting of the coalition liberal members of parliament throwing down the gauntlet to the conservatives, whose attack upon the late government he declared left no alternative but to spread the war.

The little Welshman stood by his Manchester speech of last Saturday reiterating his intention to support any party or government purposing a policy of peace, economy and steady progress neither revolutionary nor reactionary.

"I have seen parties destroyed by personal resentments," he said. "I have seen their judgment deflected, and for that reason they are not making the contribution they ought to the well being of the people for whose prosperity we are deeply concerned. We will not make that mistake whatever happens. We will consider the land to which we are deeply attached first."

"Now that is our policy. We have stood for national unity that is, unity of all men all creeds, parties and sections for the purpose of first of all winning the war and afterward extricating the country from its after the war difficulties."

It was not their fault declared Mr. Lloyd George to his hearers if a party faction had arisen and unity had been for the moment broken. The war had been won and the country was getting thru its troubles in peace gradually and thruout the world re-establishment and successful grappling with financial difficulties was being accomplished.

"Our credit was being built up in a way that amazed the whole world," continued Mr. Lloyd George. "Trade was beginning to turn, unemployment was being down. In fact success was becoming so manifest that some people thought it time to seize the profits."

Mr. Lloyd George said he was unable to explain the reasons for the breakdown—that he was perplexed when he tried to find what the differences were.

"They are not to be found in the discussions of the cabinet," he continued, "and I have looked at the speeches delivered as an indication of the policy of the new government and I am still more perplexed."

He thought it hardly worth while breaking up the great national combination that had achieved so much in war and peace in order merely to substitute Lord Salisbury for Lord Balfour as Lord president of the council. On the question of reparations Mr. Lloyd George said there should be no attempt to impose upon Germany any payment beyond her capacity.

HANDSHAKER GETS SIX MONTHS SENTENCE

(By The Associated Press)

NEW YORK, Oct. 25.—Something new, something friendly, in the way of holdups was staged in New York today.

Marcus Kipness was standing on Broadway when Sam Heller walked up, seized his right hand and began wringing it.

"Don't know you," said Kipness.

"Sure you do," replied Heller, wringing away. "I used to live next door to you. Meet my friend."

Kipness turned to see the friend going thru his pockets. Kipness yelled and the friend fled.

Heller was arrested and arraigned.

"Shake hands with the workhouse inmates for six months," said the court.

NEW PLAN NEEDED TO AID FARMERS

BILLINGS, Mont., Oct. 25.—

Eugene Meyer, Jr., managing director of the war finance corporation in a speech today declared that the finance corporation is not suited to the permanent banking structure of the country.

He declared that the corporation had succeeded measurably in its efforts because it had been enabled to assist locally the services of some of the best bankers and business men in the various states, but he said, "I do not believe that it is possible to get that kind of corporation permanently."

Mr. Meyer named three plans which he said are being advocated

STILL PROMISING ARREST IN DOUBLE SLAYING MYSTERY

Alleged Eye Witness Said to Have Named Woman as One of Party

(By The Associated Press)
NEW BRUNSWICK, N. J., Oct. 25.—Mrs. Jane Gibson alleged eye witness of the Hall-Mills murder signed a statement today giving the name of a woman, who she declared was one of the slaying party and reports were immediately circulated that the arrest of the woman—prominent since the start among those under investigation—was imminent.

Wilbur A. Mott, special prosecutor in charge of the case was quoted to the effect that there might be an arrest within an hour. But tonight Mr. Mott added to his quoted utterance a phrase which he says he used in the first instance—"or in two weeks."

He intimated, altho he would not say definitely that no arrest would be made until the case had been laid before the Somerset county grand jury and an indictment—or indictments—returned.

He declined to say when he would go before that body. While it was true Mr. Mott said that Mrs. Gibson, farmer and pig raiser, had signed a statement today, that document did not contain anything she had not already told the authorities and he could see no need at present for an immediate arrest.

Mr. Mott expressed skepticism as to Mrs. Gibson's identification in her statement of the Rev. E. W. Hall victim with Mrs. Eleanor Mills, of the slayers' party, because that identification was made on the strength of a photograph.

Mrs. Gibson never had seen the rector before the night of the shooting, he said.

Asked whether Mrs. Gibson ever before had seen the woman she identified as being present at the shooting and who, she declared, had screamed the name of a man long under suspicion, he declined to answer.

BIG TIM MURPHY IS UNDER ARREST ON THEFT CHARGE

Held as Suspect in Recent \$50,000 Raid on Chicago Warehouse

(By The Associated Press)
CHICAGO, Oct. 25.—Timothy D. (Big Tim) Murphy, labor leader was arrested today as a suspect in connection with a recent \$50,000 whiskey raid on trucks from the Grommes and Ulrich warehouses.

Murphy is now out on bond pending appeal of sentence following his conviction in the Dearborn street station \$500,000 mail robbery.

Shortly after his arrest his attorneys applied in criminal court for a writ of habeas corpus, but action was deferred after an agreement with the police that charges would be booked against Murphy or he would be released within a definite time.

The first victim of the whiskey raid, which occurred October 14 failed to identify Murphy. The latter was booked on a charge of disorderly conduct and released on a \$200 cash bond. The arrest, police said followed the receipt of an anonymous letter which hinted that Murphy was connected with the whiskey robbery.

FEW CHRISTIANS IN ASIA MINOR

(By The Associated Press)

NEW YORK, Oct. 25.—A million and a quarter Christians are all that remain in Asia Minor of the pre-war Christian population of three and a half millions, it is revealed in estimates of a league of nations commission of inquiry cabled today to the Near East relief headquarters here.

The commission places the Christian population of Constantinople at 350,000 Greeks and 200,000 Armenians, the cable states.

Approximately 90,000 Christian children have been Islamized by being in Moslem homes, said the report.

It was intimated a settlement had been effected out of court, but if so the terms were not disclosed.

DISCOVER BODY OF CLEVELAND WOMAN IN WOODS

Mrs. Henry J. Burns Murdered and Buried in Lonely Woods

(By The Associated Press)
CLEVELAND, O., Oct. 25.—The body of Mrs. Henry J. Burns of this city, partially clothed, was unearthed from a newly dug grave covered with dead leaves in a lonely woods five and one half miles northwest of Painesville today.

Discovery of the grave was made by two Cleveland dentists, Dr. D. C. Connell and Dr. W. R. Beattie, who were chestnutting in the woods when they came across a hat with splashes of blood on it. They notified deputy sheriffs at Painesville who dug up the body.

Identification was made by Mrs. Burns' husband after he had seen a necklace, wrist watch and keys found on the body of the murdered woman.

Shortly after the two dentists had discovered the bloody clothing they saw a man with a basket hurrying thru the woods. They called to him, police said, but he refused to stop. The two men ran to the road and saw the license number of the machine in which he drove away. Detectives here tracing it to the west side of the city, took the driver to police headquarters for questioning.

He declared he had been chestnutting all day, police said, and denied any knowledge of the murder. He said it was the first he had heard of it.

Examination of the body showed that Mrs. Burns had been shot thru the left eye. The back of her head was crushed and her face was marred by long scars and scratches. No other wounds were on the body. Her wrist watch had stopped at three minutes past twelve and deputy sheriffs believe that was the time when the murder was committed. They are of the opinion that the murderer left the victim in the woods last night and completed the burial this morning.

MINISTER CLAIMS MISREPRESENTATION

DELAVER, Wis., Oct. 25.—

Harry W. Harriman, special investigator for the securities department of the state railroad commission today began a hearing here on complaint filed by Dr. C. W. Boag, pastor of the Methodist church here, over alleged "gross misrepresentation" in the sale of bonds by Dana Shepperd of Beloit, agent for A. B. Leach & Co. of Chicago.

On representations of Shepperd, Boag alleges, he advised certain members of his church to invest in bonds of the Island Oil & Transportation company paying eight per cent and with a participating clause and with the guarantee of the Leach company. He also alleges that Shepperd represented that it was an exceptional limited opportunity but that he later learned the Leach company had \$250,000 of the bonds.

GET OFFER OF 5,000 ACRES FROM DAYTON

(By The Associated Press)

WASHINGTON, Oct. 25.—Altho the war department has decided to abandon McCook Field, officials here said today it had not been definitely determined if another aviation field would be established in that vicinity. It was indicated that the government probably would accept the offer understood to have been made by the city of Dayton of a 5,000 acre tract for an air service station.

Negotiations for the plot are said to be still in the process of consideration.

ALLEGED KIDNAPER FAILS TO APPEAR IN OKLAHOMA CITY

Mrs. O. T. Shinn Starts from Benton, Ill.; Strays on Way

(By The Associated Press)
OKLAHOMA CITY, Okla., Oct. 25.—After waiting all day for the return of Mrs. O. T. Shinn, who was released by officers at Benton, Ill., last Monday on her promise to return voluntarily to Oklahoma City to face a charge of kidnapping, county officers tonight were about decided that Mrs. Shinn had no intention of giving herself up. Deputies were sent to watch all incoming trains in the hope that the woman really was on her way here and had been delayed on her trip from Illinois. Unless Mrs. Shinn arrives shortly a general search will be instituted for her it was said at the sheriff's office.

With Mrs. Shinn is Jack Karam four year old son of Carl and Josephine Karam who she is charged with kidnapping.

A deputy sheriff carrying requisition papers signed by Governor Robertson was prepared to leave for Illinois to bring Mrs. Shinn back here when a telegram was received from authorities at Benton that Mrs. Shinn expressed her intention of returning to face the kidnapping charge. Mrs. Shinn's husband is serving sixty days sentence in the county jail for contempt of court for having refused to produce the child. The state supreme court today denied his application for supersedeas bond.

Mrs. and Mrs. Shinn were entrusted with the care of the Karam boy when the Karams separated several years ago. The Karams effected a partial reconciliation and took the boy back to their home. He disappeared in a few days and was testified at Shinn's preliminary hearing that Shinn carried the boy away from the Karam home.

SCHEDULE SHOWS LIABILITIES OF OVER \$2,000,000

Creditors of Karodos and Burke Win Fight for An Accountant

(By The Associated Press)
NEW YORK, Oct. 25.—Following a referees hearing at which creditors won a heated legal fight for the appointment of an accountant to examine the books of the defunct brokerage house of Karodos and Burke, bankruptcy schedules were filed today in United States district court showing liabilities of \$2,156,985 and assets of \$258,760.

Unsecured accounts of former customers, amounting to \$1,492,242 comprised the bulk of liabilities of the firm which besides several New York offices, operated branches in Philadelphia, Baltimore, Pittsburgh, Chicago and Boston.

Accounts of secured creditors amounted to \$65,169, the schedule showed. The members of the concern against which an involuntary bankruptcy petition was filed last February are John M. Karodos Jr. and John Burke of North Dakota former treasurer of the United States.

Mr. Karodos who was examined today by attorneys for creditors before Referee Peter B. Olney during the hearing at which an accountant was employed told of failures, fires and shipwrecks that figured in the final stringency of the firm.

Books and records of the Chicago office of the Brokerage house were destroyed in a warehouse fire, he said; the money was lost thru the failure of a drug firm in Washington and the loss at sea of the only vessel operated by the peninsula transportation company. Investments in the later two ventures, he said had been made from his personal account.

Referee Olney set Nov. 1, as the date for the next creditors' hearing.

EASTERN RAILROADS CALLED ON TO SEND BACK WESTERN CARS

Step Taken to Relieve Hardship on Agricultural and Stock Shippers

(By The Associated Press)
WASHINGTON, Oct. 25.—Railroads in the eastern half of the United States were called upon today by the car service division of the American railway association to return at once to roads in the western half of the country, all box cars on their lines which belong to the western carriers.

The step has been taken to relieve car shortage which has been occasioning hardships in the western agricultural and stock raising territory. The order of the service division, which is the organization thru which railroads co-operate in the interchange of equipment, was declared to be the most drastic ever put into effect.

In defining the territory affected the car service division ordered all box cars belonging to western roads now on eastern lines, at points east of Chicago, Peoria and St. Louis and West of Grand Rapids, Detroit, Toledo, Cleveland, Youngstown, Wheeling and Pittsburgh sent to their home lines without even being held for loading.

In territory further east than the Grand Rapids-Pittsburgh line, eastern roads are permitted to load the western box cars on their lines provided loads destined for the west are available, but must move them west empty, if loads are not immediately available.

The action is expected to relieve congestion markedly.

ENFORCEMENT OF RULING TO AWAIT ACTION OF COURT

Government Will Stay Action Until Decision by High Court

(By The Associated Press)
WASHINGTON, Oct. 25.—Enforcement of the national prohibition law with respect to foreign shipping within American territorial waters will await a final interpretation of that section of the statute by the supreme court in was indicated today by administration officials. This interpretation is expected by government officers next month or in December.

Decision of the executive to withhold enforcement of the law as construed by Attorney General Daugherty, in his opinion of October 6, was formally communicated today by Associate Justice Brandeis of the supreme court, who subsequently refused to grant various steamship lines a stay against the enforcement of Federal Judge Hand's decision at New York dismissing their application for a permanent injunction restraining federal agents from applying the Volstead act.

Justice Brandeis, who was sitting in chambers, was understood to have agreed with counsel for the government, and the steamship lines that the decision to withhold enforcement had removed any legal stay thru a limit which had been requested by the lines and acquiesced in by the department of justice. The decision as to enforcement was incorporated in a formal order issued by Secretary Mellon to customs officers and prohibition agents which was drafted after Mr. Mellon had conferred at length with Attorney General Daugherty.

Counsel for the steamship companies in their letter to Justice Brandeis contended that enforcement of the Daugherty order would cause irreparable damage to their business and would lead to diplomatic difficulties.

A statement by the department of justice emphasized that the government did not concur in the contention and acquiesced in the petition for a writ solely on the ground that the preparations had been completed to expedite consideration of the case by the supreme court.

The government will join in this request for advance hearing and it is the custom of the court to grant such joint petitions.

One of the elements entering into a decision to defer enforcement is understood to have been a desire to avoid any possible international embarrassment pending a final interpretation of the law by the court of last resort.

FATE OF MRS. HODELL RESTS WITH JURY

(By The Associated Press)

WHITE CLOUD, Mich., Oct. 25.—The fate of Mrs. Meda Hodell, one of the women charged with the murder of her husband, the murder of David Hodell, her aged father-in-law, will rest with the jury soon after court convenes tomorrow. Taking of testimony was concluded and closing arguments heard today. Judge Barton indicated he would deliver the charge to the jury at the opening of court tomorrow morning.

Mrs. Hodell is charged with placing poison in her father-in-law's coffee. In a repudiated confession she was quoted as saying that Hodell in failing health asked her to end his life. Mrs. Hodell also was charged with the murder of her husband. Rome Hodell who died, according to a coroner's jury from a blow upon the head. Her mother, Mrs. Alice Dudgeon and her brothers, Lee and Herman Dudgeon were charged with complicity.

Married Ten Years Have 13 Children

LAPORTE, Ind., Oct. 25.—Mr. and Mrs. Frank Scott today laid claim to the record family of the middlewest in ten years of married life saying that in that time three sets of triplets and two sets of twins, all boys, had been born to them.

The Scotts with their 13 living children boarded a train today bound for the west in search of land to provide pasture and employment for the family.

When the mother proffered one fare for herself, as the children are less than five years of age, the conductor remarked: "We can't carry a Sunday school class anywhere."

"But they are my children," she replied.

Then the family Bible was produced from the luggage and it showed there were Ashbel, Archer and Austin, each 4 1/2 years old; Arthur and Arnold, each 2 1/2; Albert, Alfred and Adolph, each 18 months; and Abel and Abner, each six months.

A THOUGHT

He giveth power to the faint; and to them that have no might, he increaseth strength.—Isaiah 40:29.

Dream not of noble service elsewhere wrought; The simple duty that awaits thy hand.

Is God's voice uttering a divine command; Life's common deeds build all that saints have thought.

Anonymous.

The reason a wheel tax ordinance has been successfully enforced in Jacksonville is due to the fact that the people know the

resulting funds will be wisely expended in the improvement of the streets.

In Springfield, where there is talk of such an ordinance, citizens do not seem to be in agreement as to the possibilities of vast expenditures. That's a very essential difference in the two situations.

The jail sentences for certain members of the Chicago board of education are not long, but the fact that they must spend a few hours behind the bars will carry a lesson that would not develop from the payment of many thousands in fines.

The Republican Congress deserves credit in two respects for the reductions in Government expenditures. First, Congress passed the budget law, under which the demands of the various departments were scaled down by the Director of the Budget. Then when Congress got the recommendation of the Budget Director, it scaled his recommendation down still further. If you like that scaling down process, show it by voting to return the Republican Senators and Congressmen.

It is a pleasure to note that the people are responding generously to the appeal made for funds for the Salvation Army. The work of solicitation is by no means completed, but it looks now as if the quota can readily be raised. This is due in great measure to the high standing of the Salvation Army in its relief work. The record of the years has proved that the Salvation Army is a most efficient organization and that it accomplishes things along religious and philanthropic lines that

You Said It, Doug

By Berton Braley

(If you want to keep fit and happy, chase Old Man Dignity off of the lot.—Douglas Fairbanks in NEA interview.)

DOUG, you said something! You put it right snappily. We are too solemn, too proper and prim; Romping and clowning and skylarking happily Builds up muscles and adds to the vim. could not well be handled in any other way. The Salvation Army deserves your support.

Mr. Albert did not mince words in telling the Anti-Saloon League officials that it is a piece of poor management to advise the dry forces not to vote upon the wine and beer proposal and to seek to show that the procedure is illegal. Many an enthusiastic "dry" and unilaterally opposed to the wet proposal, believes that Mr. Albert has the best of the argument. Sound reasoning suggests that the way for the dry forces of Illinois to express their wish for continued enforcement of the prohibition law is to vote against this wet proposal.

THE GOOD RECORD OF JUDGE SAMUELL

Any one at all familiar with the affairs of the Morgan county court knows that Judge Samuell has managed those affairs with ability and painstaking care during the four year term about to close. His duties of county judge are heavy, especially by comparison with the salary received. It sometimes happens that a county judge makes the duties of that office somewhat secondary to the general work of his profession. The opposite has been true of Judge Samuell, and he has made the affairs of his office a matter of first thought and attention in his day to day life. Aside from other work, Judge Samuell has given particular attention to affairs of the juvenile court. The cases coming under his eye have been handled with interest and sympathy, with the constant purpose of permanently improving conditions for boys and girls, making their chances better for development into useful citizenship. Judge Samuell is capable, earnest, efficient, and should be chosen by the voters to serve through another term.

COAL OUTLOOK

(NEA)

The soft coal situation begins to look better for the family with an empty coal bin. The mines are turning out about 10,000,000 tons of coal a week. The figure would be 12,000,000 tons if the railroads were able to furnish enough gondola and hopper coal cars, and if the mines had the orders.

The actual shortage in production is not as big as most people imagine. From the first of the

year to Oct. 16, the country's production of bituminous (soft) coal totaled about 290,000,000 tons. Roughly this was only 24,000,000 tons less than was mined during the corresponding period of last year.

Two things are helping counteract this shortage. They are: First: Exports of soft coal so far this year, compared with the corresponding period of previous years, are about 7,000,000 tons less than in 1921 and 14,000,000 tons less than in 1920.

Second: The country will enter 1923 without the customary 30,000,000 tons of soft coal normally carried over into the year as a surplus or reserve in bins.

Anthracite (hard coal) is bound to be scarce nearly everywhere this winter. The hard coal mines so far this year have produced only about 31,000,000 tons, against 73,000,000 tons in the corresponding period of 1921.

The real danger of a soft coal shortage lies in the fact that many who customarily burn hard coal will have to use soft coal.

However, with exports low and corporations buying from hand-to-mouth instead of building up big reserve stocks, the outlook is that the country will be able to pull through the winter without any acute shortage in the average community.

In a rough way, it looks as if America will have enough coal in the furnace but none too much in the bin.

The winter market is developing as a matter of buying small quantities when needed, same as sugar and flour.

The northwest, which is always the danger spot when a coal shortage threatens, so far this season has received by Great Lakes route about 8,000,000 tons of soft coal below normal. It is too late to catch up with this shortage, so the deficit will have to be shipped by railroads.

Statistically the general coal situation does not look alarming, unless the market is manipulated from the inside or the buyers stampede.

SALVATION ARMY DRIVE IS NOW IN PROGRESS

First Day of Home Service Appeal Brings Subscriptions Totalling \$1,293 — Tag Day Assistants Announced—Interest Keen in Essay Contest.

The first day of the Salvation Army home service appeal resulted in subscriptions to the total of \$1,293. The soliciting teams began work early Wednesday morning and continued actively engaged in solicitation throughout the day.

The total of the first day's solicitation is gratifying to Chairman R. V. Rowe and others who are active in waging the campaign for funds. Comparatively few large contributions were made during the day, but the solicitors found that most of the persons approached were willing to contribute something toward the work of the Salvation Army.

Reports turned in last night by the various teams indicated that the leading team in the amount secured during the day was the one made up of J. W. Larson and Fred Randall, who turned in \$158.85. The standing of the other teams follows:

E. A. Leiter and Hayden Walker, \$128.05.
Worthington Adams and Clyde Black, \$124.
G. L. Hughes and A. C. Kohlert, \$79.
Lieut. Hall and Lieut. Weber, \$52.75.

Two other teams, made up of H. E. Woodman and Leonard Potter, Fount Andrews and Clarence Rataichak, had not reported late last night.

The work of soliciting funds will be continued today and Friday. Saturday will be tag day, when a large number of Camp Fire girls will assist in the drive. Some of the girls will confine their efforts to the business district, while others will make a house to house canvass of the residence district.

9 to 11 a. m.—Margaret Piepenbring, Melva Moses, Georgia Terhune, Margaret Marshall, Mary Bagless, Toinette Cully, Abbie Young, Corlaine Chaplin, Lorna Carpenter, Helen Dial, Eleanor Mae Ames, Joyce Lander, Lucille Mackness, Helen Walton, Helen Turner, Mabel Rogers, Mary Janet Capps, Belle Black, Eleanor Andre, Margaret Fay Hopper.

11 to 1 p. m.—Ruth Leavenworth, Alleen Rabjohns, Louise Wiseman, Elmore Stoldt, Helen Dumas, Marjorie Keiner, Irene Stubblefield, Rhoda Rammelkamp, Josephine Milligan.

Many Compete for Prizes. About 650 essays were submitted by students of the High school in the contest for the best essay on the subject of the Salvation Army. Out of this great number the high school faculty selected twenty-seven of the best, eleven written by boys and sixteen by girls, and these are being judged by a committee including Mrs. C. M. Bell, Mrs. R. Y. Rowe and Mrs. H. P. Samuell.

The winners of the prizes will be announced this afternoon. A prize of \$5 in gold will be awarded for the best essay written by a boy and a like prize to the girl submitting the best essay.

LOCAL CASES IN APPELLATE COURT

Finding Here in Suit of Sheppard vs. Cade Affirmed—Rehearing Denied in Masters vs. Dunlap Tax Case.

The appellate court yesterday affirmed the finding of the Morgan county circuit court in the suit of John S. Sheppard vs. Benjamin Cade. This was a case tried before Judge Burton more than a year ago and involved the question of the payment of a commission for the sale of farm land. The lower court verdict was in favor of Mr. Cade and the higher court has affirmed that finding.

Mr. Cade was represented by Bellatti, Bellatti & Moriarty and Mr. Sheppard by W. N. Hairgrove. Rehearing Denied.

The appellate court recently denied the petition for a rehearing in the suit of Arthur M. Masters, et al. vs. M. F. Dunlap. This was a case in which the complainant sought to require payment of the taxes by the defendant for an additional year on certain lands owned by the latter. W. R. Masters but operated under a contract by the defendant.

The decision of the master in chancery and of the circuit court was in favor of the complainant and later the higher court reversed the lower court findings. Subsequently a petition for rehearing was filed and now this has been denied. In this proceeding the complainants were represented by Masters & Masters of Springfield, and the defendant by Bellatti, Bellatti & Moriarty, Scott County, Mo.

Another case in which there is local interest is that of Orion Woodson vs. the Wabash railroad. This case was tried in Scott county circuit court and a verdict for \$1,750 secured by Mr. Woodson, who claimed that certain lands were overflowed because the Wabash built a bridge across a certain creek. The appellate court has reversed this case.

Messrs. Funk & McKean of Winchester represented the complainants and Bellatti, Bellatti & Moriarty were the attorneys for the Wabash.

ODD FELLOWS HEAR REPORTS OF MEETING

Interesting Reports Made of Grand Lodge Sessions Held in Springfield—Use of Ritual in Lodge Work Condemned.

The members of Urania Lodge No. 242 and Iliad Lodge No. 4 of the I. O. O. F. heard the reports of the representatives to the Grand Lodge at their respective meetings on Monday and Tuesday of this week. J. Marshall Milner represented No. 4 and Judge William E. Thompson was the representative of No. 242.

Among the important matters embodied in these reports was the fact that each Odd Fellow in Illinois during the year 1923 would be called upon to pay one dollar for the purpose of enlarging the Old Folks at Mattoon. The Home is one of the best in the United States maintained for old Odd Fellows and their wives and each active member takes a pride in keeping the Home up-to-date and keeping it second to none.

The Grand Lodge passed a resolution condemning the use of the rituals in opening and closing the lodges and in the ritualistic work. While the use of the ritual has been frowned upon in the past the action recently taken will practically banish it from the lodge session.

An effort was made at the Grand Lodge to lengthen the terms of officers in the subordinate lodges to one year, but this was voted down. Such a resolution was passed by the Rebekah Assembly, but failed to meet the approval of the Grand Lodge.

The Grand Lodge refused to recommend to the Sovereign Grand Lodge that lodges be permitted to conduct part of the work in foreign languages. Odd Fellows stand for good citizenship and it was felt that only by requiring all Odd Fellows in the United States to speak and understand the English language, could the best interests of the country be promoted. Likewise, the resolution to compel subordinate lodges to charge greater fees for initiation and for the degrees was voted down. But the Sovereign Grand Lodge was requested to exempt all veterans holding the fifty year jewel from all further dues and assessments.

THIRTY-ONE BUSHELS CLOVER SEED STOLEN

Charles Virgin, living about five miles southeast of Woodstock, had stolen from his garden Thursday night, thirty-one bushels of clover seed.

Mr. Virgin states that he heard his dogs disturbed during the night but made no investigation until morning when he found that thieves had carried the bushels of clover seed from his garden through his orchard to a roadside distance of about twenty miles. Here it was doubtless loaded on automobiles.

Neighbors of Mr. Virgin say they saw two cars early Wednesday morning traveling in the proximity. At present there is no clue to the robbery.

CHAPIN WOMAN'S CLUB IN ANNUAL MEETING

Annual Open Meeting Held at Home of Mr. and Mrs. Alpha Anderson—Hallowe'en Games and Stunts Made Evening Pleasant.

Chapin, Oct. 25.—The annual open meeting of the Chapin Woman's club was held Tuesday evening at the spacious country home of Mr. and Mrs. Alpha Anderson. The entertainment committee with Mrs. E. F. Antrobus, chairman; Mrs. L. S. Hess and Miss Helene Markham had made the rooms beautiful with a profusion of fall flowers and foliage, while bays, cats and witches added a weird touch. The porches and driveway were lighted with Jack-O-Lanterns, and as the guests arrived they were greeted on the dimly lit porch by grotesque figures attired as witches, demons and ghosts who ushered them into the hall. When the guests, about seventy in number, had assembled the following short program was given:

Vocal solo: "Nita Gitanea"..... DeKoven Harry Onken.

Reading: Sketch From Mark Twain's "Innocents Abroad"..... Miss Helen Sidles.

Vocal solo: "I Passed By Your Window"..... Brabe "Dawn"..... Curran

Reading: "My Lady Yawns"..... Miss Eleanor Brockhouse

Following the program games, contests and stunts of a real Hallowe'en nature filled the hours with merriment. A super-special feature was a trip thru "The Den of Horrors." From the weird walling and noises issuing from the "Den" one inferred that it was an unpleasant trip. However, the victim was met by the boatman, "Charon" and piloted safely across the river Styx in spite of ghosts and other weird obstacles barring the way. Professor Hess as "Charon" and Carlton Anderson as "Ghost" H. O. Smith as "Witch" were very well taken. At a late hour the refreshment committee, Mrs. Andrew Allen, chairman; Mrs. C. F. Dackett and Mrs. E. H. Nienhuaser served delicious refreshments of mint stick, ice cream, white cake, devil's food, minis and coffee.

Out of town guests were Mrs. A. R. Keefinger of Rome, N. Y., and Mrs. Jessie Hubbard of Sandwich, Ill.

ENTERING UPON FINAL STAGES OF TEN YEAR TASK

Interstate Commerce Commission Completing R. R. Valuation

(By The Associated Press)
WASHINGTON, Oct. 25.—The interstate commerce commission is now entering upon final stages of its ten year task involved in the valuation of railroad property in the United States, according to an announcement today. Within the next six weeks, a statement said it will put the findings of its experts as to the value of 40 railroad properties up for criticism and arguments of railroad representatives who may wish to alter the tentative decisions already announced. The 40 systems in most cases are small but include the Chicago, Rock Island & Pacific and the Toledo, St. Louis and Western.

"Practically all of the field work has been completed," the

statement said, "and the commission is now concentrating upon the completion of reports upon the major properties. It is expected that by the end of the current fiscal year (June 30, 1923) all except six of the so called \$25,000,000 roads will have been served with the underlying reports."

Its valuation work, the commission said, was the most monumental scientific valuation of property ever attempted, since it called for inventing of equipment scattered over 250,000 miles of railroad lines. It will take two more years, it was added to prepare all of the tentative reports.

**IRISH CONSTITUTION
PASSES FINAL READING**

MERCHANDISING PLAN WILL BE PRESENTED

All Merchants Urged to Attend Conference at C. and C. Rooms Tonight—East St. Louis Woman Will Tell of Business Settling Campaign Used There Successfully.

The most stupendous business campaign ever undertaken by the merchants of Jacksonville will be unfolded tonight at 7:30 o'clock at a big mass meeting of all merchants, to be held in the Chamber of Commerce rooms.

The plan in general is designed to foster the trade in Jacksonville movement, and is considered by some of the leading merchants to be the most practical plan for extending the trade territory of this city.

In the magnitude of its proportions and in its possibilities for gaining momentum from day to day, it exceeds all campaigns under consideration this city. This campaign is under the supervision of the commercial division, thru its committee, and has been endorsed by the directors of the Chamber of Commerce.

Mrs. G. C. Bedell, a member of the East St. Louis Chamber of Commerce and chairman of a similar campaign staged in that city, will address the merchants tonight and relate her experiences and observations in the working out of the plan. The business organizations of East St. Louis are so enthusiastic in their endorsement of the plan that they graciously consented to stand Mrs. Bedell to Jacksonville to tell local merchants what East St. Louis has gained as a result of it.

Mrs. Bedell comes just as a guest of the local merchants to tell of the East St. Louis plan.

The president of the commercial division, the secretary of the Chamber of Commerce, and the chairman of the committee in charge specifically urge that every merchant attend this meeting. The time for executing this plan successfully is so short that it is essential that the names of all participating merchants be determined tonight in order that the committee can rush printing and the voluminous correspondence necessary to a successful conclusion.

YOUNG WOMEN ARE TAKING UP NURSING

(By The Associated Press)
CHICAGO, Oct. 25.—Young women are leaving the typewriter, the shops and the movies to enter the nursing profession, according to speakers at the annual meeting of the Illinois State Association of Graduated Nurses here today.

"There are more nurses now than there have been for five or six years," Miss Mary E. Wheeler, superintendent of the Illinois Training School for Nurses, said. "One reason for this is that nursing schools are being put on an educational basis and not under the military discipline they were formerly. This attracts attention and helps to raise the standard of the profession."

The need for special cottages for nurses who have contracted tuberculosis was urged. Miss Anna Drake, director of public health nurses in Iowa, said nurses rarely contracted tuberculosis from association with tuberculosis patients, but following periods of illness or overwork when they returned to work too soon. To avoid tuberculosis she recommended that all nurses take a vacation by joining the nursing staff of tubercular sanatoria.

**CRIMINAL ACTION
AGAINST CORPORATION**
Champaign, Ill.—A criminal action against a corporation, a rare occurrence in legal procedure, occurred here when the Champaign county grand jury indicted the Urbana Gas and Electric company on charges of committing a nuisance and polluting a stream. The indictment is the result of a complaint by state deputy fish and game wardens who allege that the company permitted chemicals from their gas plant to enter the waters of Salt creek. As a corporation cannot be arrested on a bench warrant or imprisoned some official must be served with a summons the same as in a civil suit.

**MILK DELIVERY BY TRUCK
GROWING POPULAR**
Washington.—Milk distribution by auto truck is becoming more general and a nation-wide movement in favor of such transportation is now in progress, according to the National Automobile Chamber of Commerce. Reports reaching that body show that Cincinnati receives 97 percent of its daily milk supply by trucks; Atlanta, 90; Kansas City 40; Los Angeles 90; and Milwaukee 65. At one of the principal creameries in Detroit more than 9,000,000 gallons of milk were received by truck last year.

QUICK RELIEF FROM CONSTIPATION
C. Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime.

Thousands take them every night just to keep right. Try them. 15c and 30c.

ALEXANDER CLUB HAD ANNUAL BANQUET

More Than Eighty Persons Present at Annual Open Meeting of Alexander Woman's Club Tuesday Evening.

The annual open meeting of the Alexander Woman's club was held Tuesday evening at the home of Mrs. W. H. Hinrichsen. Each of the thirty-five members was allowed to invite one guest and the hostess had the privilege of inviting ten, so that it was a large company which assembled at the Hinrichsen home.

The decorations were of a fallow-een nature and were especially attractive. Autumn foliage and flowers were used with fine effect in the various rooms at the disposal of the guests.

Supper was served at 6:30 o'clock, the menu being an elaborate one and attractively served. This feature of the evening was arranged by a committee including Mrs. John Strawn, Mrs. N. J. Carpenter, Mrs. W. H. Schott and Mrs. O. E. Ryan.

Following the banquet a program as indicated below was carried out.

President's Address—Mrs. Frank Foster.

Secretary's Resume of Year's Work—Mrs. Jesse Proffitt.

Piano Solo—Miss Grace Armstrong of Franklin.

Group of Songs—Homer Wood, of Pisgah, with Mrs. Wood as accompanist.

Musical Readings—Miss Edna Newcomb of Jacksonville, with Miss Aithen Hall as accompanist.

Solo—Mrs. Cleo Cumby of Jacksonville.

Solo—John Pyatt of Jacksonville.

The entertainment committee included Mrs. J. W. Reif and Mrs. J. W. Robertson.

Hostess at Bridge.

Mrs. A. P. Taylor entertained the members of her bridge club Wednesday afternoon at her home on South Kosciusko street. Three tables were made up for cards and the time pleasantly spent in playing. At the close of the afternoon a delicious luncheon was served with Halloween favors and colors attractively carried out.

Former Student Married

Announcement has been received by friends in the city of the marriage of Miss Elizabeth Brown of Ridge Farm, Illinois to George W. Hensen at Danville, Illinois, October 1. The bride is the daughter of Mr. and Mrs. John Lusk Brown and was formerly a student at the Woman's College.

L. C. Faculty Women Entertain

The faculty women of Illinois College entertained at an informal afternoon tea at the home of Mrs. C. H. Rammelkamp in Lockwood Place Tuesday afternoon. The affair was in honor of Mrs. W. T. Harmon, Mrs. Henry Caldwell, brides of a few months and

Miss Stronk, Miss Schwieke, and Miss Kiecher, new members of the college faculty. The time was spent in quilting comforts for the brides and during the afternoon tea was served.

Hostess at Halloween Affair Last Evening

Miss Florence Bentley entertained a number of friends at her home on South Sandy street last evening at a Halloween party. The Bentley home had been prettily decorated for the occasion with all sorts of Halloween favors, pumpkins, fall foliage, black cats and other weird things. A limited number of young people had been invited and the evening was gayly spent with games and music in keeping with the occasion. The hostess served delicious Halloween refreshments during the evening.

Party Last Evening

A gay Halloween party was given last evening at the home of Henry W. Thies on Jordan street. There were about thirty-five guests present and Miss Clara M. Davis assisted in entertaining. The guests were invited to come in masquerade and every one had a jolly time playing games and having contests in keeping with the Halloween season. The house was attractively decorated with autumn leaves, pumpkins, black and yellow crepe paper and other Halloween favors. There was a ghost in evidence to terrify the guests and fine refreshments including roasted marshmallows, were served during the evening.

Family Dinner in Honor Of Mrs. Stephen Capps

Mr. and Mrs. A. T. Capps gave in informal dinner at their home on North Church street last evening in honor of Mrs. Stephen Capps of Washington, D. C., who is visiting in the city. The guests included a number of relatives and after the serving of a delicious supper menu the evening hours were spent enjoyably in conversation.

Hostess at Halloween Supper

Mrs. H. L. Sperry was the hostess at a delightful little Halloween supper given at her home on Mound avenue last evening in honor of her daughter, Miss Lenore Sperry. The affair was a six o'clock supper and eight guests had been invited. Pretty Halloween favors were used and the supper table was decorated in attractive Halloween colors. After an excellent menu had been served the guests spent the evening with games and music.

"Tacky Party" at Westminster Church

The Christian Endeavor Society of Westminster church has issued invitations to a "Tacky Party" to be given this evening in the social rooms of the church. The guests are to come to the party in old clothes or anything "tacky" will be right in style at this hard times party.

The crowd of guests will be in "constant motion" from 7:30 o'clock until ten, playing games and having a fine time. This is promised by the entertainment committee on the clever little "tacky" program which were sent out. Miss Ruby Jensen is the chairman of the social committee in charge of the function and Miss Alice Barwise is the president of the society. Besides entertainment for the evening there will be plenty of good eats. Every one who is interested in the Christian Endeavor is cordially invited to attend.

WHITE HALL MAN IS IN AUTO ACCIDENT

Albert G. Smith Injured When Car Strikes Tree in Alsey—Men Return from A. H. T. A. Meeting—Other White Hall News.

WHITE HALL, Oct. 25.—Albert G. Smith carries an ugly scar on his forehead as the result of his Ford car crash into a tree at Alsey as he was making a turn at such a rapid rate of speed that he was unable to guide it clear of the big hickory. With him was Theodore Roosevelt Gardner. Both young men were thrown through the top for a considerable distance, but Gardner was uninjured. The car was badly wrecked, but the engine remained intact. That was no inducement for Smith to come on to town, however, and he left the car at Alsey for repairs. He had been to Glasgow, where there have been a series of lesser automobile accidents during the past week, and Albert and his Ford were right in line with the trend of events.

George Spangenberg and H. O. Potts represented White Hall at the sessions of the Illinois Anti-Horse Thief association in Decatur, and have returned with enlarged ideas of the scope of the work, which they will present at a meeting of the White Hall local next Saturday night in M. W. A. hall. There are 78 members in the local organization, and in the state organization there are 6,000.

Mr. Spangenberg states that the objects are to curb all sorts of thieving, and that chicken and automobile stealing are included in its activities of promoting lawlessness. He says that illicit stills are also under the ban of this association, and that such things are promptly seized and turned over to the authorities together with all evidence ascertainable. In Kansas there are 90,000 members of the organization, and that the members are correspondingly large all over the west, extending rapidly over the middle west and the eastern section of the country.

J. L. Amos, who was in town for a few hours Sunday expressed regret at being unable to remain for the address by William G. Biedt. Mr. Amos is San Francisco representative of the Union Pacific railroad, and he effectually sets at rest any notion that the Union Pacific will take over the Chicago & Alton. He says the Union Pacific has no need of the C. & A. Mr. Amos stands high in the railroad world as a traffic man. He was general freight agent of the Missouri Pacific when he was prevailed upon to go to the Union Pacific at San Francisco a little over a year ago.

What education and common sense are doing for thousands

THOUSANDS of people are learning that they cannot drink coffee or tea at supper time and get a good night's sleep.

Experience has taught these men and women to recognize that the caffeine in both coffee and tea is often responsible for a wakeful, restless night, and a nervous "next day."

If you have reason to believe that coffee or tea is causing your headaches, insomnia or nervousness, why not drink rich, refreshing Postum instead.

Postum is the delicious golden-brown cereal beverage that many former coffee-drinkers prefer for its satisfying flavor alone.

Ask your grocer today for Postum and begin serving this delicious beverage at meal times—and see how well you like it.

Postum comes in two forms:—Instant Postum (in tins) prepared instantly in the cup by the addition of boiling water. Postum Cereal (in packages, for those who prefer to make the drink while the meal is being prepared) made by boiling fully twenty minutes.

Judge Its Quality—Then Price

There's something alluring about the Studebaker Special-Six Sedan.

You notice it when you pass one on the street. It grows on you as you examine the car's details. It becomes even more pronounced when you take the wheel and drive it.

No wonder the Special-Six Sedan carries such an appeal! Its beauty of line, finish and appointments fascinates you. The delightful harmony of color in the upholstery, the completeness of the appointments and the soft carpeting afford real elegance—and at a new low price.

The body is a striking example of the handcraft of Studebaker artisans. Built in Studebaker plants where the coachmaker's art has been handed down from father to son for more than two generations.

It is mounted on the same dependable Special-Six chassis that has added new fame to the name Studebaker wherever cars are known.

Compare its appearance, its endurance records, its comfort, its equipment and its recognized reliability with any car within hundreds of dollars of its price. Judge it on quality first—then price—because price alone is no indication of its intrinsic value.

You can have confidence in the quality of Studebaker cars—in the 70 years of business success and manufacturing integrity back of them—and in the sterling dollar-for-dollar value built into them.

The name Studebaker on your car insures satisfaction!

FORMER RESIDENT DIES IN THE EAST

Edward S. Price Passes Away At Winthrop Highlands Massachusetts—Service Will Be Held There.

Friends of Miss Mary W. Price received word this morning, Oct. 25, of the death of her brother, Edward S. Price, of Winthrop, Highlands, Mass. Miss Price was called to her brother's bedside some two weeks ago on account of the sudden and serious illness of the latter and was with him to the end.

Mr. Price had for some time been engaged in business in Boston, having previously been in the employ of Marshall Field & Co., of Chicago for many years. But Jacksonville was the home of his childhood and youth and many friends and acquaintances here will deeply sympathize with the bereaved family. Mr. Price is survived by a devoted wife, his sister Mary W. of this city and a brother Warren W. Price of Chicago.

Funeral services will be conducted at Winthrop Highlands, Mass., Friday, Oct. 27.

Our first display and sale of factory samples of fine Fur Coats, Wraps and Scarfs for this season, will be held next SATURDAY, FRANK BYRNS Hat Store, S. W. Corner Square

HEAVY DAMAGES FOR PERSONAL INJURY

Elmer Mitchell Scott County Lad Given \$30,000 Verdict Against Central Illinois Public Service Corporation—Spent Months In Hospital Here After Contact With Wire Carrying Heavy Voltage.

At Winchester yesterday a jury in the circuit court returned a verdict of \$30,000 in the suit of Elmer Mitchell against the Central Illinois Public Service Co. The suit was the result of a happening July 4, 1921, when young Mitchell was terribly burned by coming in contact with wires owned by the service company.

The hearing was before Judge E. S. Smith and continued from Monday until yesterday afternoon when after brief deliberation the verdict for the heavy damages was returned.

Mitchell was represented by John J. Reeve and Hugh P. Green of Jacksonville and J. M. Riggs of Winchester. Attorneys for the company were James Vause of the firm of Vause and Kiger of Mattoon and Messrs. Funk and McKean of Winchester.

Dr. Edward Bowe was a witness for the prosecution and gave a detailed account of his examination of the injured boy. Dr. Bowe also served as advisor to the prosecuting attorney in analyzing the testimony presented for the defense by Dr. Fletcher of Winchester and Dr. W. P. Duncan. On the evening of July 4, 1921, Mitchell in company with three companions was driving from Alsey to Winchester. The road was muddy and at a point a few miles from Winchester the car was stalled. Mitchell was pushing in the rear of the car in the endeavor to extricate it when he came in contact with a wire of the Public Service Co., which was in the roadway because a pole had been broken off and wires thrown to the ground.

It was a wire carrying 16,500 volts of current and the remarkable thing was that the young man was not instantly killed. The evidence tended to show that the current was transmitted thru him to two other young men of the party, but their injuries were not so serious.

Following the happening Mitchell was brought to Passavant hospital by Dr. Fletcher of Winchester, where he remained as a patient from July 4 until December 22. He was unconscious for a number of weeks and it was the latter part of July before there were indications of improvement. Here he was under the care of Dr. W. P. Duncan.

The muscles of the right forearm had been entirely burned off by the current. By means of an operation the arm was bound against the body and the skin grafted in such a way that flesh grew over the bone. The young man's right leg was terribly burned but two small toes remaining on either foot. The bottom of the right foot was also burned and there was a burned place on the right side of his back about 5 by 9 inches in size.

There were still other burns but despite these very serious injuries Mitchell, who is now eighteen years of age is able to attend the Winchester high school, although of course he is by no means of normal strength.

The action was brought in the circuit court of Scott county by Mrs. Ida Mitchell as guardian for her son.

WON PRIZES ON ABERDEEN ANGUS CATTLE AT FAIR

In the list of awards at the Scott County Livestock show it was stated that Albert S. Hawk was awarded prizes on Hereford cattle exhibited. This statement was in error as Mr. Hawk is a breeder of Aberdeen Angus or black polled cattle, and was awarded first prize on two year old heifer and first prize on aged bull in this division.

TO SPEND WINTER IN COAST STATE

Mr. and Mrs. G. M. Blair and daughter, Marjorie, formerly of Jacksonville, and Miss Esther Kirk of Taylorville are wintering in California. Mr. Blair has been enjoying some great golf games as the partner of Robert Fairbanks, brother of the famous Doug. McKendree Blair is teaching in the high school and looking after his father's business at Barry, Ill.

Our first display and sale of factory samples of fine Fur Coats, Wraps and Scarfs for this season will be held next SATURDAY, FRANK BYRNS Hat Store, S. W. Corner Square

AT ALEXANDER CHURCH

The sacrament of the Lord's Supper will be observed at the regular church services next Sunday at the Alexander M. E. church. Sunday school is now held at 2 o'clock in the afternoon instead of at the morning hour. The preaching service will be at 3 p. m. and the Epworth League meeting at 7 p. m.

WILL LEAVE FOR VICIT.

Mr. and Mrs. R. R. Stevenson will leave this morning in their car for Taylorville to spend a day or two with Dr. and Mrs. S. M. Morton. Later they will visit Mrs. Stevenson's sister in Monticello and her brother in Champagne.

MR. MERCHANT

Don't let anything prevent your presence tonight at Chamber of Commerce, at 7:30 o'clock.

FORMER WAVERLY GIRL IS MARRIED

Miss Jennie Buck is Bride of Litchfield Resident—Will Reside at Litchfield.

Charles Lackman and Miss Jennie Buck both of Litchfield, were united in marriage Saturday, Oct. 21, 1922 at 5:30 P. M. at the St. Mary's Parsonage, Rev. Father P. F. Carroll officiating.

They were attended by George Koster of Carlinville, a nephew of the groom and Miss Hazel Vance a niece of the bride. After the ceremony they went to the home of the bride's sister, Mrs. C. A. Vance where supper was served.

The bride is the oldest daughter of the late Mr. and Mrs. Marion Buck of Waverly. The groom is a traveling salesman for the Watkins Remedies. At present they will reside at 605 North Jefferson Street, Litchfield.

MOOND CLUB TO HAVE OPEN MEETING TONIGHT

Annual Affair Will Be Held at Home of Mrs. R. G. Vasey—Will Be Masquerade Party.

The annual open meeting of the Moond Woman's Country club will be held this evening at the home of Mrs. R. G. Vasey west of the city. For the first time in the history of the club the open meeting is to partake of the nature of a frolic, as the members will come masked and the evening will be given over to merry-making.

First and second prizes will be awarded for the best costumes and there will also be a prize to the one who guests the identity of the most persons before the masks are removed.

It is expected that there will be 100 or more in the company, as each of the fifty members is privileged to bring one guest. Mrs. J. J. Vasey is the chairman of the general committee on arrangements and the program will include musical numbers by Mrs. Fred Ranson and a reading by Mrs. W. S. Jones. The first thing on the program will be a grand march, played by Mrs. Ranson, and there will be various other features to add interest to the event.

The decorations will be of a kind usually found at a Halloween party and the refreshment which the hostess will serve will also accord with the season.

ABSTRACT FIRMS IN REORGANIZATION PLAN

Reorganization of the Merrill Abstract Co., and the Morgan County Abstract & Title Co., was completed yesterday. The corporate name of the reorganized concern is the Morgan County Title & Abstract Co., and the offices will continue in the Wilson building at 232½ West State street.

The officers elected are: President—Mrs. Ellen Merrill. Vice President—M. C. Hook. Secretary—G. H. Busey. Treasurer—E. M. Spink.

The four officers are the directors of the company and it is understood that the stock holdings of each in the company are equal. The present reorganization was effected for the purpose of bringing about various economies and of adding to the efficiency of the concern.

CINCINNATI SYMPHONY ORCHESTRA COMING SOON

When the Cincinnati Symphony orchestra under the leadership of Fritz Reiner comes to this city for a concert on November 1, at the Grand it will bring with it all of the artistic traditions of its twenty-seven years of musical activity. No organization of the country has received more encomiums from the critics or more sincere tributes from the music loving people as has this great organization from the Queen City. Its many concerts in the home city are brilliant social and musical events, and the tours undertaken by the orchestra have been everywhere triumphal ones. The best tribute that can be paid is to request a return engagement and this has been the case with the Cincinnati orchestra in every city where it has appeared, in fact many cities insist upon one or more concerts annually by this organization. Owing to its increased popularity in Cincinnati and vicinity, the tours this year are limited and this city is most fortunate to have the opportunity of hearing this great organization. An unusually attractive program has been arranged.

DRAMATIC CLUB HELD MEETING

Announcement has been made of a meeting of the Dramatic club of Jacksonville high school. The date of the meeting has been set for November 3. A short program has been outlined as follows:

LITERBERRY AID PLANS OPEN MEETING

The Ladies Aid of the Literberry Baptist church will hold their annual open meeting this evening at the church. The members will have their families as guests on this occasion and the event will probably be one of very great pleasure. A splendid supper will be served at 6 o'clock, followed by an informal program of music and readings. The decorations will be in keeping with the Halloween season.

WESTMINSTER NOTES

Miss Eleanor Moore's Bible class served a fine supper last night for the Mission Study Class. "India" was the theme for study.

The October birthday party will meet today with Mrs. Bentley at 153 Pine street. The hostesses are Mrs. Scott, Mrs. Riley, Mrs. Rayhill, Mrs. Bradish and Mrs. Bentley.

Troop Eight meets at seven o'clock to plan for the hike with Scoutmaster Biglow, which occurs at 4:15 P. M. tomorrow in conjunction with Troop Six of the Congregational church.

The young people have planned a lively Halloween social for this evening. It will be a "tacky" party. Costumes and masks will be used by many and mysteries will abound.

The striking climax in "The Servant in the House" will be given on the screen next Sunday evening. Dr. Smith will preach upon "Manson—the Savior."

You can taste the difference in **ZEPHYR** bakings

SOMEHOW the snowy-white cake seems sweeter and richer the very first time you bake with Zephyr flour. Rolls, too, have a new fluffy lightness and pie crusts are tender and wholesome. The secret's in the milling of the choice Kansas wheat, so full of healthful nourishment. Zephyr is always uniform in quality, each sack just like the last. That's worth remembering when you compare ordinary flour with Zephyr.

NATIONAL TREE PLANTING WEEK

October 27 to November 3 is Set Aside—Governor Small Endorses Movement.

The week of October 27 to November 3 has been set aside as National Tree Planting Week. State governors, mayors of cities, and other public officials everywhere are co-operating in the movement and it is meeting with instant approval all over the United States.

Governor Small of Illinois expressed his approval of tree planting week in the following statement: "Tree Planting Week, October 27 to November 3, has my hearty approval. I urgently recommend that this week be observed throughout the state. This is a splendid movement and deserves the hearty support of every public spirited citizen in Illinois."

On Estimate Based On "Value Received"

When you need an estimate on your electric wiring requirements for house, office, store or factory do you shop around for the cheapest price irrespective of quality, service or reputation?

Or do you send at once for a reputable contractor who, by long experience, knows his business, gives reliable advice and service, keeps his promises and guarantees his work? An estimate based on "value received" may be a little higher but it is the one you should accept.

In Pitiable Condition When She Began Taking Lydia E. Pinkham's Vegetable Compound

Sabina, Ohio.—"I took Lydia E. Pinkham's Vegetable Compound for weakness and irregularity. I was weak and nervous and could hardly stand on my feet long enough to cook a meal. I was this way for about a year and had tried several medicines and had a physician, but to no avail. My sister was taking your medicine and finally induced me to try it. I now feel fine and can do my housework without any trouble at all. You can use this letter for the sake of others if you wish."—Mrs. WELDON G. HATFIELD, R. R. 3, Sabina, Ohio.

Housewives make a great mistake in allowing themselves to become so weak and nervous that it is well-nigh impossible for them to attend to their necessary household duties. Lydia E. Pinkham's Vegetable Compound should be taken when you first notice such symptoms as weakness, backache, weakness and irregularity. It will help you and prevent more serious trouble.

of the Art Extension committee of the Better Community Movement of the University of Illinois. In connection with the "Plan to Plant a Tree" movement, this committee is to conduct a photographic contest for the purpose of selecting and marking one hundred beauty spots in Illinois. All entries for the contest must be made by January 1, 1923, and are to be sent to Mrs. Mary E. Aleshire, Plymouth, Ill., chairman of competitions. The subjects may include trees, flowers, rocks, lakes, streams, and general landscapes, and may be submitted by individuals, clubs, schools or chambers of commerce.

A national tree planting week is a great stride in meeting one of the great problems of the day that of preserving our national beauty. Scarcely a season passes but some great old tree in our yard or our neighbor's is cut down. Yet that should not cause us sorrow if we saw another springing up in its place. We must get the tree planting habit if our cities are to remain beautiful in nature's treasures. Plan to plant a tree each year.

Today the men who know tell us that unless something is done at once, America will practically be denuded of her forests within twenty-five years. The prospect for the future has such a dark aspect that the lumbermen and manufacturers are urged to get behind a movement to see to it that our forests are not permitted to become extinct. Plant trees! Preserve them! It is appropriate that you do it during "Tree Planting Week," October 27 to November 3.

FARM BUREAU NOTES

Seed Inspected for Morgan County.

Albert C. Wilson, chief seed analyst of the division of plant industry of the state department of agriculture, has furnished us a report of the seed inspection done on samples sent in from Morgan county during the season of 1922-1923. Sixty-nine samples were sent in. Seven of these were unsalable. The following noxious weeds were found: curled dock, buckhorn, field sorrel, quack grass. By noxious weed is understood one of the twelve specifically mentioned in the Illinois seed law. In addition to the four noxious weeds just mentioned the following were found in some of the samples: Spurge grass, yarrow, bracted plantain, hoary vervain, clinquifol, witch grass, crab grass, black seeded plantain, prickly lettuce, three seeded mercury, rag weed, pig weed, green foxtail, yellow foxtail, wood sorrel, horse nettle, smart weed, spiny sida, lambs quarter, sticky cockle, sedge, knot weed, manioc. We strongly suspect that considerable seed has been quietly traded without being analyzed. It is customary to the spirit of the law which is really past to protect the farmer.

Plan to Plant Another Tree.
October 27 is fall harbor day. Tree planting week begins with fall harbor day and ends November 3. There has been such a disposition to cut down trees without replacing them that a move to plant more trees should appeal to every thoughtful citizen. Many of the farms in Morgan county have no wood lots. There are corners on the farms that might well be planted to forest trees. This is especially true of hill sides that are too steep for cultivated crops. Erosion has already begun to an alarming extent on many of our hill farms and one way one is to reforest those slopes.

Farm Economics.
Secretary Wallace in the agricultural year book for 1921 has emphasized the importance of studying farm economics. The absolute ignorance of the rank and file American farmers concerning economics of the farming game is absolutely astonishing. The time has really come when these must be considered altho they are not as entertaining as a popular entertainment. There is a general impression at the present time that it costs more to produce corn than the farmer is getting for it, but the men making the statement rarely have any definite figures to prove their points. The bookkeeping on the average farm is more or less of a joke. From study of the cost of producing corn made in both Hancock and Franklin counties during the years of 1913 to 1918 inclusive shows cost ranging all the way from 40c up to \$3.44 with perhaps an average on the most efficient farms at around 50c per bushel.

CHAPIN.
Mr. and Mrs. Ed Mernagh and Mrs. Ray Sullens and children of Beardstown. A varied and well chosen group has been prepared and all of the resources of the organ including the new chimes which were installed last season, will be displayed.
The program will be announced later in the week.

Blackheaded Pimples Quit With S. S. S.

Why? Pimples-Poison Goes When Red-Blood-Cells Increased S. S. S. Builds These Red-Blood Cells.

You can be sure of this, nature has no substitute for red-blood-cells. Pimples-poison can't live in the red rivers of your blood as long as there are enough red-blood-cells in it. More red

Blood-cells! That is what you need when you see pimples starting at you in the mirror. Blackheaded pimples are worse! Eczema is worse yet! You can't try everything under the sun—you'll find only one answer, more cell-power in your blood! The tremendous red-cells produced by an increase in red-blood-cells is one of the A. B. C's of medical science. Red-cells mean clean, pure rich blood. They mean clear, radiant, lovable complexions. They mean more power, because red blood-cells are fed by your blood. They mean freedom forever from pimples, from the "blackhead" pest, from boils, from acne, from skin eruptions, from rheumatism, from that tired, exhausted, run-down feeling. Red-blood-cells are the most important thing in the world to each of us. S. S. S. will build them for you. S. S. S. has been known since 1875 as one of the greatest blood-builders, blood-purifiers and system strengtheners ever produced. S. S. S. is sold at all drug stores in the states. The larger size bottle is the more economical.

To the men and women voters of Illinois—

On November Seventh you will enjoy a right heretofore denied you, that of officially recording your opinion, through the ballot, either for or against the Volstead prohibition law.

Do not permit yourself to be deceived by the assertion that your vote on this question will have no significance. Were that to be the case popular government in our country would be nearing an end.

The Congress of the United States has the power to modify the Volstead law. You as a citizen have the right to instruct. In the exercise of that right, you must cast your vote with the majority, for it is the majority which provides the consent of those governed.

The Volstead prohibition law concerns the rights of the whole people. This act was made into law by an organized minority. The law has failed conspicuously, and we attribute its failure to an improper interpretation of public sentiment on the temperance question.

We contend that the Volstead law has proved a woeful farce and a rampant scandal. The record clearly demonstrates that no social benefits have accrued half way commensurate with the high cost of enforcement and the liberty sacrificed.

Day by day streams of illicit whiskey and other strong liquors are caused to be released to all who have money to pay.

In countless homes men, women and children brew, distill and cause to ferment fusiled decoctions of every variety. Crime is on the increase and drunkenness is being encouraged. A free hand is given to brands of strong drink which are neither safe for consumption nor strongly sought for, while the Volstead prohibition law only succeeds in discouraging the manufacture and consumption of the lighter beverages which the masses really want.

We do not believe that this condition can long endure. The people will demand a more sensible temperance policy. The public is ready to revolt—it has already revolted against the injustice and the tyranny of this act—and knowing that Americans will not long submit being bound and gagged—we contend that relief from Volsteadism is inevitable.

The foregoing represents the earnest and sincere conclusions of hundreds of thousands of upright, public spirited citizens of our commonwealth who have lent their moral and active support to our organization.

If you believe in the justice of our cause—go to the polls and put force to your convictions through the ballot. Even though you disagree—you should vote your preference that the congressional delegation from Illinois to the 68th Congress may on this issue, intelligently carry out the will of the people of our State.

This is still a—

Market Report

By The
Associated
Press

WEATHER CONDITIONS

INFLUENCED MARKET

CHICAGO, Oct. 25.—Drought
seriously affecting a large part of
the winter crop belt had consid-
erable influence as a price lifting
factor in the wheat market today.
Closing quotations were among 40
to 2½¢ net higher with December
and May at \$1.11½ to \$1.11.

Corn gained ½¢ to ¾¢, oats
lost ¼ to ½¢, and provisions
finished unchanged to 15¢ lower.
According to current advices the
drought in the winter wheat re-
gion west of the Missouri river
has exceeded in severity anything
of the kind since 1893. It was
said that as a result the extent
of seeding had been heavily re-
duced and that in 10,000,000
acres already seeded the amount
of wheat was very small.

Death of moisture was reported
to be far worse in Nebraska,
Kansas and Oklahoma than was
the case last fall.

Corn fluctuated in line with
wheat. Both domestic shipping
demand was noted and export
bids were close to a working
basis. Oats lacked support.

Lower quotations on hogs
weakened the provision market.
Besides hard deliveries on October
contracts like the week a burden.

Chicago Livestock Market
Chicago, Oct. 25.—Cattle—Re-
ceipts 14,000. Closing fairly ac-
tive; clearance good; native and
steers, western grassers and
stock fully steady; short fed
mature beef steers uneven. Top
mature steers \$13.00; highest of
year; best yearlings \$12; bulk
native beef steers \$9.50 to \$12; bulk
western grassers \$8.50 to \$14.00;
bulls steady to 15¢ lower; veal
calves mostly 50¢ off; stockers
and feeders about steady with
week's decline; bulk choice veal-
ers to packers around \$11; bulk
hogsma \$4.40 to \$4.25; bulk
stockers and feeders \$6.25 to
\$7.25.

Hogs—Receipts 17,000. Weak.
Market throat very dilatory.

"BIG THREE" PACT IS MISUNDERSTOOD

Does Not Bar Games With Teams
From Other Sections If Played
On Home Turfs.

(By The Associated Press)

NEW YORK, Oct. 25.—The impression which appears to prevail in certain quarters that Harvard, Yale and Princeton are barred from further participation in inter-sectional football games by the new "triangular agreement" is not apparently borne out by careful reading of the clauses in the agreement which goes into effect on January 1.

Under the new plan it is specified that football training shall not begin either at the University or elsewhere until one week before the institution opens and that the scheduled number of games shall be reduced to a number consistent with the shortened season.

In the next paragraph it is stipulated that no post season contests or contests for the purpose of settling sectional or other championships or involving long or expensive trips and extended absence from the University shall be permitted.

With the exception of the visit of the Harvard team to California during the 1919 Christmas holidays to meet Oregon and the present week-end journey of Princeton to Chicago none of the big three within the past decade has done what the new regulation forbids.

Many college elevens from other sections of the country have in turn invaded the gridirons at Princeton, New Haven and Cambridge during that period and there appears to be nothing in the new arrangement to prevent their coming in the future under similar conditions.

With the exception of the Princeton-Chicago series there has not been a home and home agreement in any of these inter-sectional games. Consequently there were no long trips or extended absence from the university or other features mentioned in the new agreement. During the period covering the 1919 to 1922 seasons, Harvard, Yale and Princeton have played or are scheduled to play 28 so-called inter-sectional games. Yale has met North Carolina four years running at New Haven, Maryland State three times and West Virginia and Iowa once each. Harvard has played ten inter-sectional games, nine at home and one abroad and none of these barring the Oregon games, could be termed as settling sectional or other championships.

Princeton has played southern teams almost entirely and there appears to be no reason why the practice should not continue as long as the teams from other sections of the country care to try the merits of their football play against the "big three" on the latter's home turf.

TAKE STEPS TO PREVENT TICKET SCALPING

(By The Associated Press)

CHICAGO, Oct. 25.—Representatives of the government and the University's of Chicago and Princeton took action today to prevent ticket scalping at the Chicago-Princeton game here Saturday. So frantic have football fans become that offers of \$100 for a single ticket are reported to have been made according to George N. Taylor, special attorney for the internal revenue department. Only 31,000 tickets were printed for the game and all tickets had been sold several days ago.

OORANG INDIANS TAKE THE TRAIL

Entire Tribe Off the Reservation, After Scalps on Gridiron

By ARTHUR WELLER

MARION, Ohio—Natives of Manhattan are right. Redskins still terrorize the region of Ohio.

Whoever'd have supposed that, within a stone's throw of the home of President Warren G. Harding, now-vowed a powerful tribe, formed on a union basis by premier members of other tribes, all over everywhere!

Yet 'tis true.

Fourteen miles from Marion a coterie of chieftains, averaging about 200 pounds apiece, and possessed of ravenous appetites, makes its home.

What's more, the season has now arrived for his formidable aggregation to sally forth, hunting scalps.

And a sight they are, too, when they take the war trail—all done up in hideous orange and maroon—the colors of the Oorang Indians, in the National Professional Football League.

Gathering from all parts of the United States, the Redskins have been grunting daily at LaRue, under the leadership of Jim Thorpe, one of the greatest all-around athletes the world ever has known.

The National Football League of 20 teams includes, besides the

Oorang Indians, such elevens as the Chicago Cardinals and Bears, Minneapolis Cleveland, Buffalo, Milwaukee, Rochester, N. Y.; Columbus, O., and various others. Some of these the Oorang have yet to meet on the field of battle this fall.

Jim Thorpe Leads

It is believed that never before in the history of professional football as such an organization of Indian stars been assembled as Jim Thorpe's.

Thorpe himself, a sensation of

the Olympic games at Stockholm, is still engaged actively in more than one form of sport. After a successful baseball season in the Eastern League he autot to LaRue to assume command of the tribesmen gathered there.

Besides Thorpe, two more former captains of Carlisle are included in the lineup—Joe Guyon and Pete Calac.

Walter Camp considered all of these three as members of all-America elevens a few years ago. Other members of the team are:

Attache, of last year's Sherman College team; Long Time Sleep, of Haskell University and the Flathead reservation in Montana; St. Germaine, of Carlisle and Yale; Boutwell, Sanook, Downwind, Busch, Lone Wolf, War Eagle, Running Deer, Strongwind, Big Bear and Thunder, all former Carlisle men.

Mascot a Coyote

The squad mascot is a pet coyote, brought from Montana by Nicholas Lassa, better known as Long Time Sleep.

It's a playful tribe, even when at work. Wrestling matches and long runs are the regular thing. It means nothing to the Indians to make a jaunt on foot into Marion and back, a distance of 28 miles. The warriors eat but twice a day. Practice begins at noon and continues until evening, and it's then that the Redskins have their second meal.

The training camp and the clubhouse in which the Indians live is on the Oorang Alredale kennel farm of Walter Longo, chief sponsor of the eleven.

LET CONTRACTS FOR CRIMSON J.

The printing and engraving contracts for the Crimson J. Jacksonville high school annual, have been let and work on the book is progressing rapidly. The Capital Engraving company of Springfield has been awarded the engraving work and a local printing company will do the printing. Miss Lavina Scott, editor in chief of the "J." and the other members of the staff are working hard on the composition of the book. Spieth is doing the photography work on the annual.

RETURNS FROM CHICAGO.

Mrs. R. M. Capps of West State street has returned to the city after a stay of several days in Chicago and northern cities. Mr. and Mrs. Capps motored to Chicago and Mr. Capps will be in Wisconsin for the next few weeks on business.

HOME FROM CHICAGO VISIT.

Mr. and Mrs. W. T. Suhay have returned to their home on West College avenue after a stay of several days in Chicago. While in Chicago Mr. Suhay attended a convention of book binders.
